

HAKKARI UNIVERSITY

INCOMING ERASMUS+ STUDENT INFORMATION GUIDE

Academic Year 2026–2027 | Student Mobility for Studies

A practical pre-arrival guide for students nominated by our partner universities.

Prepared using Hakkari University's promotional brochure and 2026–2027 academic calendar. Details subject to institutional confirmation.

University website: <https://www.hakkari.edu.tr/en>

Erasmus+ Office: <https://erasmus.hakkari.edu.tr/en>

1 Welcome to Hakkari University

Welcome to Hakkari University! We look forward to hosting exchange students from our Erasmus+ partner institutions. This guide introduces key academic dates, course planning, travel, accommodation and the practical steps to consider before arriving in Hakkari.

Hakkari University offers academic programmes across a range of faculties, schools and vocational schools. For an overview of the university, its academic units, and the region's cultural and natural attractions, please refer to the accompanying Hakkari University Promotional Brochure.

2 Academic information and course selection

Course Catalogue: <https://erasmus.hakkari.edu.tr/en/pages/content/192/course-catalogue>

Students should review the relevant department's courses, ECTS credits, course content and language of instruction before preparing their Learning Agreement. Availability of courses in English, semester-specific offerings and academic compatibility must be confirmed by the receiving department. The catalogue is a reference and does not by itself guarantee that a particular course will be available.

Students should coordinate their proposed study programme with the academic coordinators at both their home and host institutions. A Learning Agreement must be approved through the applicable Erasmus+ procedure before mobility.

3 Academic calendar: Spring Semester 2026–2027

Course registration	1–5 February 2027
Start of classes	15 February 2027
Add/drop period	15–19 February 2027
Midterm examinations	17–25 April 2027
End of classes	9 June 2027
Final examinations	12–27 June 2027
Resit examinations	5–16 July 2027

Important: Students should not plan their return journey solely around the last teaching day. Final examinations and, where applicable, resit examinations may require a longer stay. Individual examination schedules should be confirmed with the relevant department.

4 Before you travel

- Confirm nomination and receive instructions from Hakkari University's Erasmus+ Office.
- Review course options and arrange approval of the Learning Agreement.
- Obtain the official acceptance/admission documentation required for your mobility.
- Check passport validity, entry/visa requirements and applicable health insurance arrangements.
- Discuss accommodation options and availability with the relevant contact office.
- Confirm arrival dates, travel connections and onward road transportation to Hakkari.

- Keep digital and printed copies of your important mobility and identity documents.

5 Travelling to Hakkari

Students travelling from abroad may arrive in Türkiye by air via Istanbul or Ankara and take a connecting domestic flight to Van. From Van, Hakkari city centre is approximately three hours away by road, depending on traffic, weather and road conditions. Students should check current flight schedules, transfer options and travel conditions before booking.

Please share your expected arrival date and itinerary with the Erasmus+ Office in advance so that available arrival guidance can be provided. Transfer arrangements and costs should not be assumed to be covered unless expressly confirmed.

6 Accommodation

Student dormitories and other accommodation options may be available in Hakkari, subject to eligibility, capacity, application dates and the policies of the relevant providers. Accommodation is not automatically guaranteed to Erasmus+ students. The Erasmus+ Office can provide guidance on possible options and relevant contacts after nomination.

Accommodation fees vary and are not specified in this guide. Students should obtain current prices and written confirmation of availability directly from the accommodation provider before making commitments.

7 Visa, residence and health insurance

Visa and entry requirements depend on nationality, passport type and length of stay. Students should consult the competent Turkish diplomatic mission and official immigration information before departure. Depending on the duration and conditions of the stay, a student residence permit or other formalities may apply.

Students are responsible for arranging health insurance that satisfies the requirements applicable to their stay. The host institution can provide procedural guidance, but decisions on visas and residence permits rest with the competent Turkish authorities.

Official residence information: <https://en.goc.gov.tr/>

8 Living costs and budgeting

Monthly expenses vary according to accommodation, meals, local transportation and personal spending habits. Because prices and individual circumstances change, this guide does not provide a fixed cost estimate. Students are encouraged to budget for initial expenses, transport connections, insurance and any accommodation deposits.

Erasmus+ grant amounts and travel support depend on the relevant project, funding rules and mobility agreement. The exact amounts and payment arrangements will be communicated separately to each nominated student.

9 Campus life and student support

Hakkari University's promotional brochure introduces its academic units, campus environment and opportunities for cultural and outdoor activities in the region. Students may also consult the university website for information on student services and university announcements.

Students are encouraged to contact the Erasmus+ Office for guidance on arrival procedures, academic coordination and relevant university services. Access to particular facilities or activities may depend on university rules and availability.

10 Your first week: suggested checklist

- Contact the Erasmus+ Office and confirm your arrival.
- Meet the receiving academic coordinator or department contact.
- Verify course selection, timetable and Learning Agreement details.
- Complete applicable university registration and student identification procedures.
- Confirm accommodation arrangements and any required local formalities.
- Clarify visa/residence and insurance documentation, if applicable.

11 Frequently asked questions

Are all courses offered in English?

Not necessarily. Check the Course Catalogue and obtain confirmation from the relevant department.

Is accommodation guaranteed?

No. Availability and eligibility must be checked individually.

When should I arrive?

Plan to arrive before your academic activities begin; confirm your arrival arrangements with the host office.

Can I leave when classes finish?

Examination dates may extend beyond the last teaching day. Confirm your individual assessment schedule.

How much will my mobility grant be?

Your Erasmus+ Office will communicate the applicable grant and travel support for your specific project and mobility.
