**194** persons on exchange (in and  
out) in the academic year 2016/17.

We **cooperate** with institutions from  
**35** countries of the world. All  
courses are **100% in English**.

The Office is progressively carrying out negotiations **to sign agreements** in various fields of study with prominent universities from different regions of **Europe** and the **world**. By signing these bilateral agreements, IUS gained rights to **mobility of students** as well as academic and administrative staff working in different scientific areas.

Through its publications, IRO regularly informs IUS students and staff, as well as business partners from the region and beyond, about all its activities, with a special focus on promoting the exchange of students, academic and administrative staff.

Occasionally, the Office organizes international visits, events and lectures held by recognized experts, professors and senior officials of various international organizations.
